Word of the Week: Discernment

What it means: Spirit guided wisdom to tell what is good, what is harmful, and what God is calling us to do.

Why it matters: With years of decline, we need discernment to know what to keep, what to change, and what to lay down.

Welcome

We are so glad you're here. Whether you come with faith, questions, or doubts, know that you are welcome just as you are. We have no expectations—only a prayer that you will encounter God in a life-changing way today.

About our Worship

Our worship follows a rhythm of revelation and response — God speaks, and respond. Every part of today's service centers on one theme, culminating in Jesus Christ.

Families with Children

At St. Andrews, we strive to be a place of safety, growth, and delight for all ages. We love your children and welcome them to stay for the entire worship service—even if they are less than perfectly quiet. We embrace their wiggles and whispers as a sign of life in our community. If you prefer, however, children aged K5 and younger are welcome to go to the children's area with leaders. If they are already signed in from Sunday School, a leader will take them back to the classroom. If not, we request that you check them in before going back to the classroom.

New Here?

If you are able, we would love to meet you after the service. If time or comfort does not allow, we hope you might consider filling out a "Connect card." We promise not to overwhelm you with messages—just a simple note to say thank you for joining us.

Questions?

We are grateful for your presence. If you have questions before or during the service, our ushers are here to help. If questions arise afterward, please do not hesitate to contact the church office.
