Welcome

We are so glad you're here. Whether you come with faith, questions, or doubts, know that you are welcome just as you are. We have no expectations—only a prayer that you will encounter God in a life-changing way today.

About our Worship

Our worship follows a rhythm of revelation and response — God speaks, a we respond. Every part of today's service centers on one theme, culminatin Jesus Christ.

Families with Children

At St. Andrews, we strive to be a place of safety, growth, and delight for all ages. We love your children and welcome them to stay for the entire worship service—even if they are less than perfectly quiet. We embrace their wiggles and whispers as a sign of life in our community. If you prefer, however, children aged K5 and younger are welcome to go to the children's area with leaders. If they are already signed in from Sunday School, a leader will take them back to the classroom. If not, we request that you check them in before going back to the classroom.

New Here?

If you are able, we would love to meet you after the service. If time or comfort does not allow, we hope you might consider filling out a "Connect card." We promise not to overwhelm you with messages—just a simple note to say thank you for joining us.

Questions?

We are grateful for your presence. If you have questions before or during the service, our ushers are here to help. If questions arise afterward, please do not hesitate to contact the church office.

Sermon Notes

Another Lost Son:
When Doing The Right Thing Keeps You Outside The Party
Luke 15:11-32

How do you start a sermon?

Why won't the elder son go in?

What is the elder son's main concern?

How does the father respond to the elder son?

Why does He end the parable here?

What do both sons want?

What are the two kinds of lostness?

Who are these sons?

Who are you in the story?

How do we come home?

1. The initiating love of God
2. Repent of more than our sins
3. We need to be melted and moved by what it cost to bring us home.

Who should have gone after the brother?

Who is the true elder brother?

What if we could almost taste this feast?
